

# Functional architecture of visually responsive neurons in Supplementary Eye Field

Pranavan Thirunavukkarasu<sup>1</sup>, Steven P. Errington<sup>2</sup>, Amirsaman Sajad<sup>2</sup>, Jeffrey D. Schall<sup>1,2</sup>

1. Department of Biology, York University, Toronto, ON

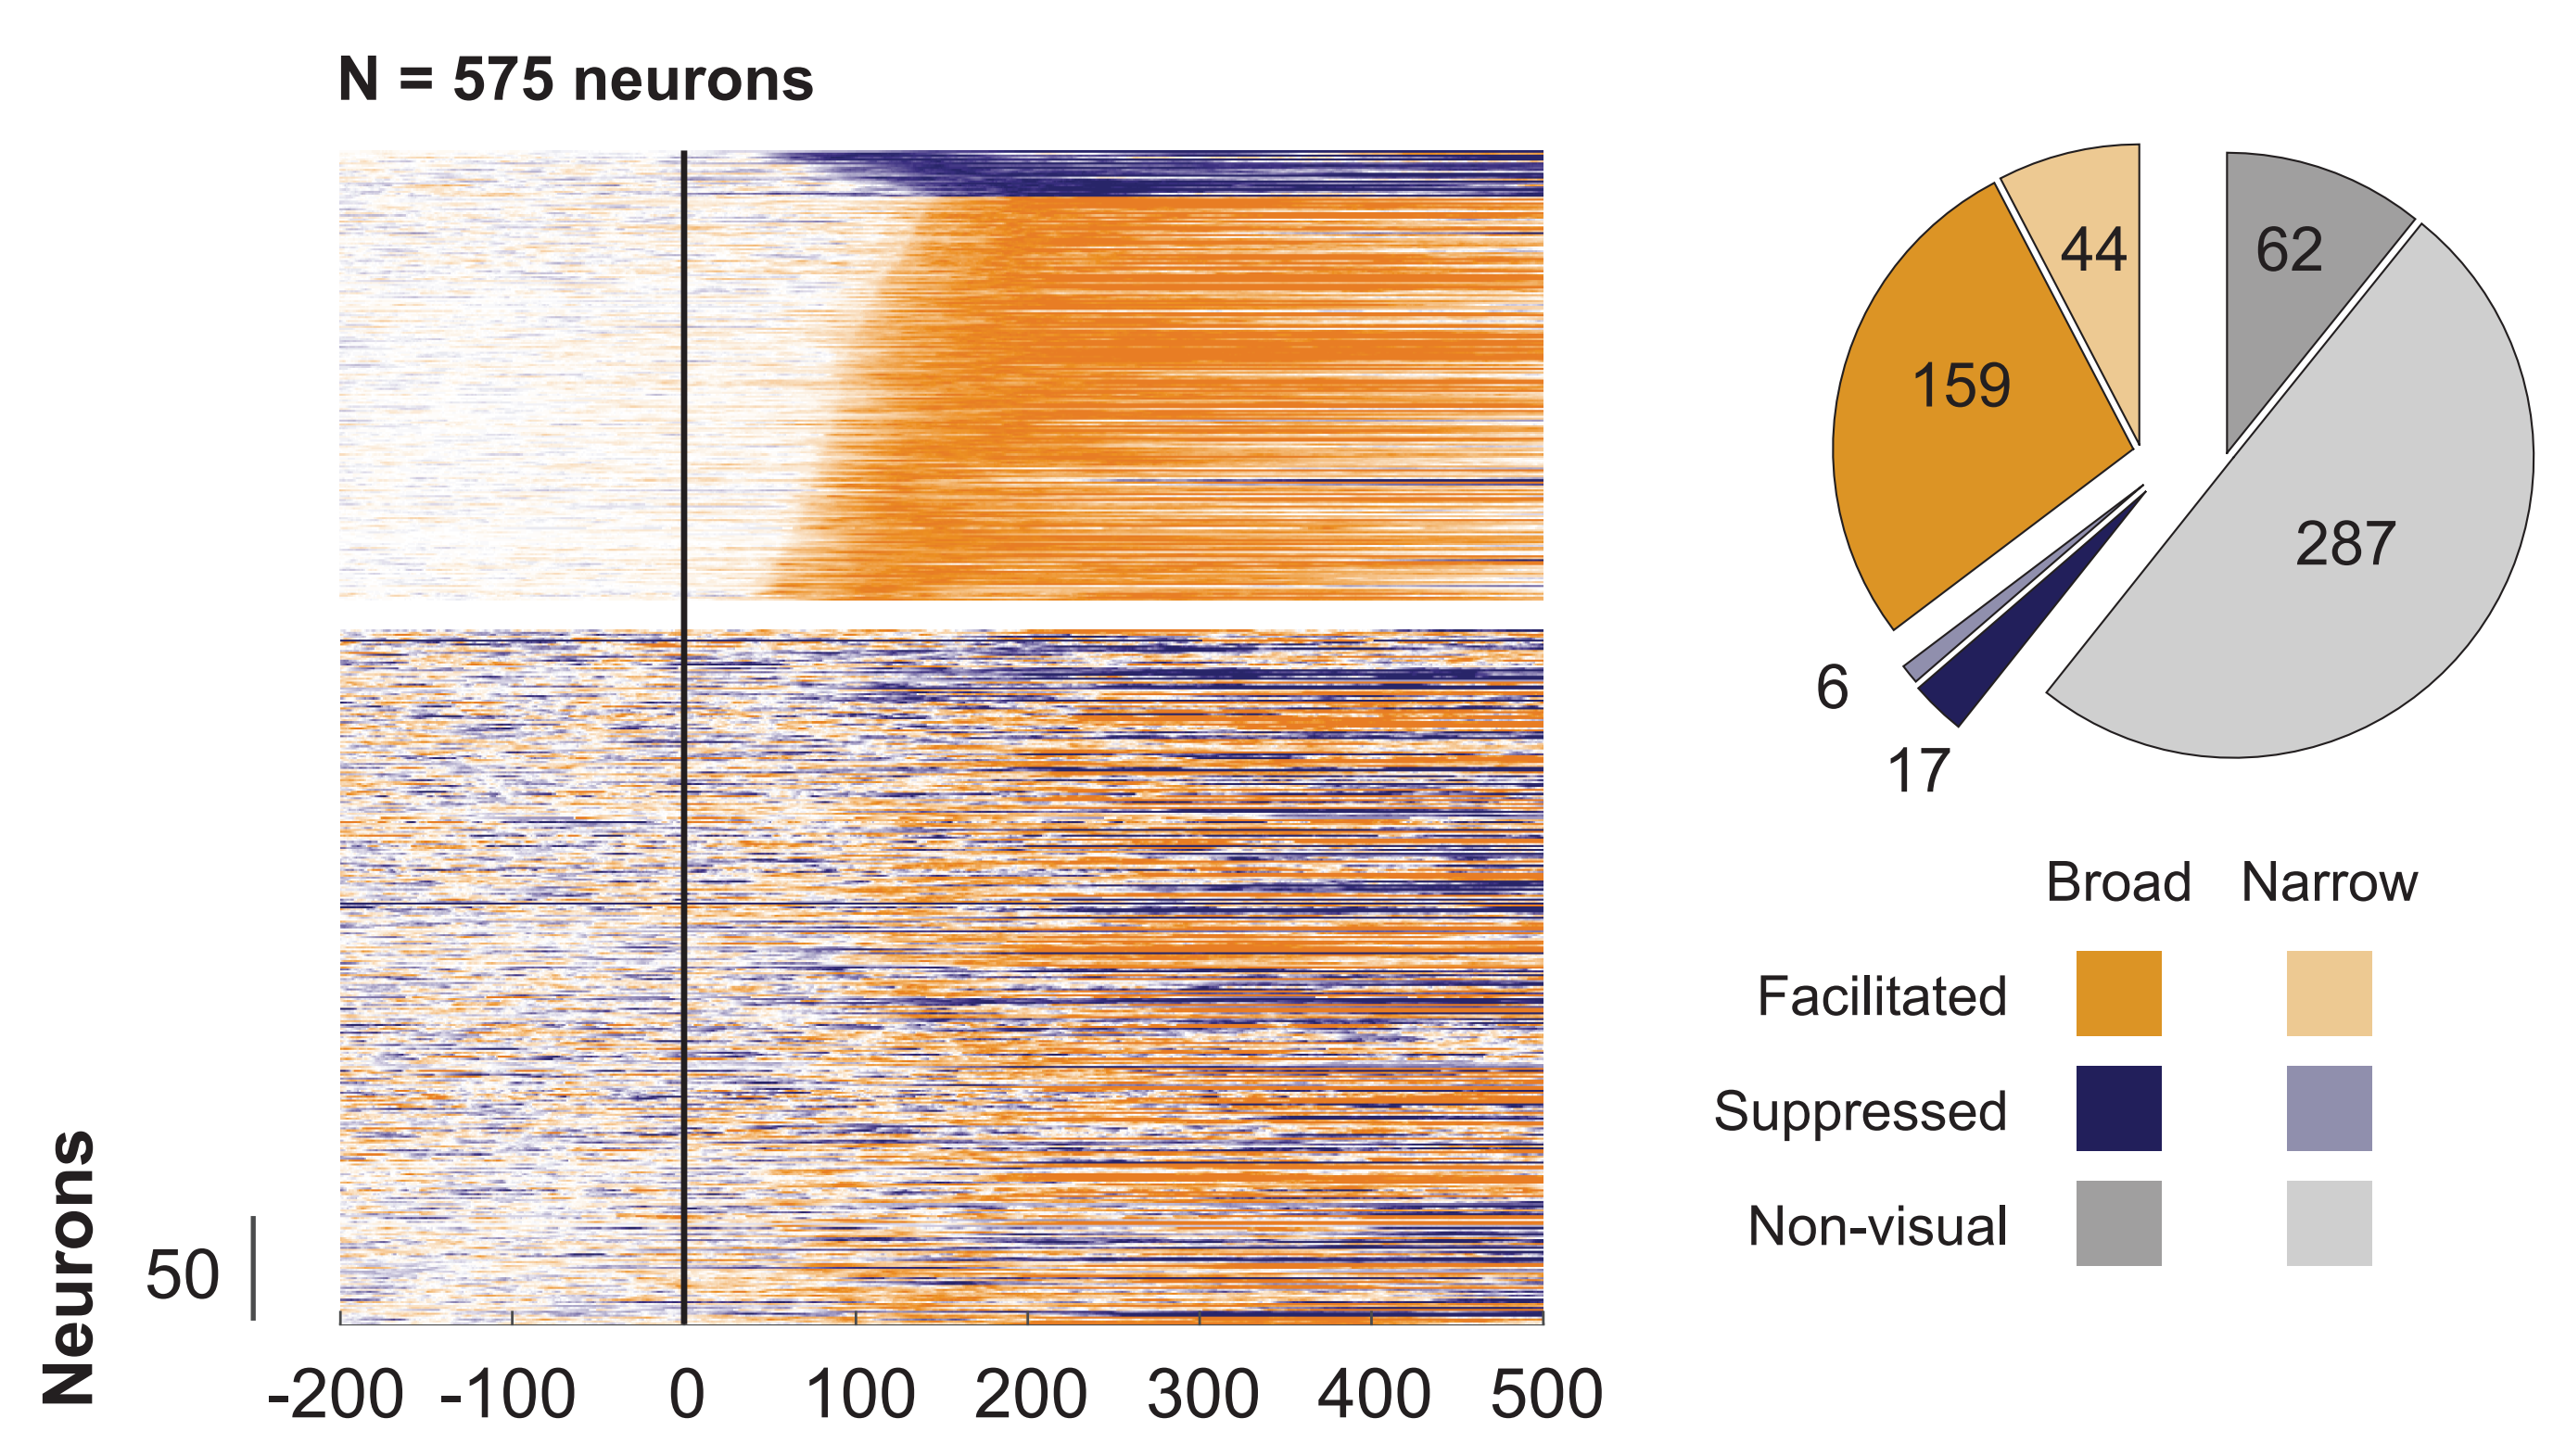

2. Department of Psychology, Vanderbilt University, Nashville, TN

## BACKGROUND

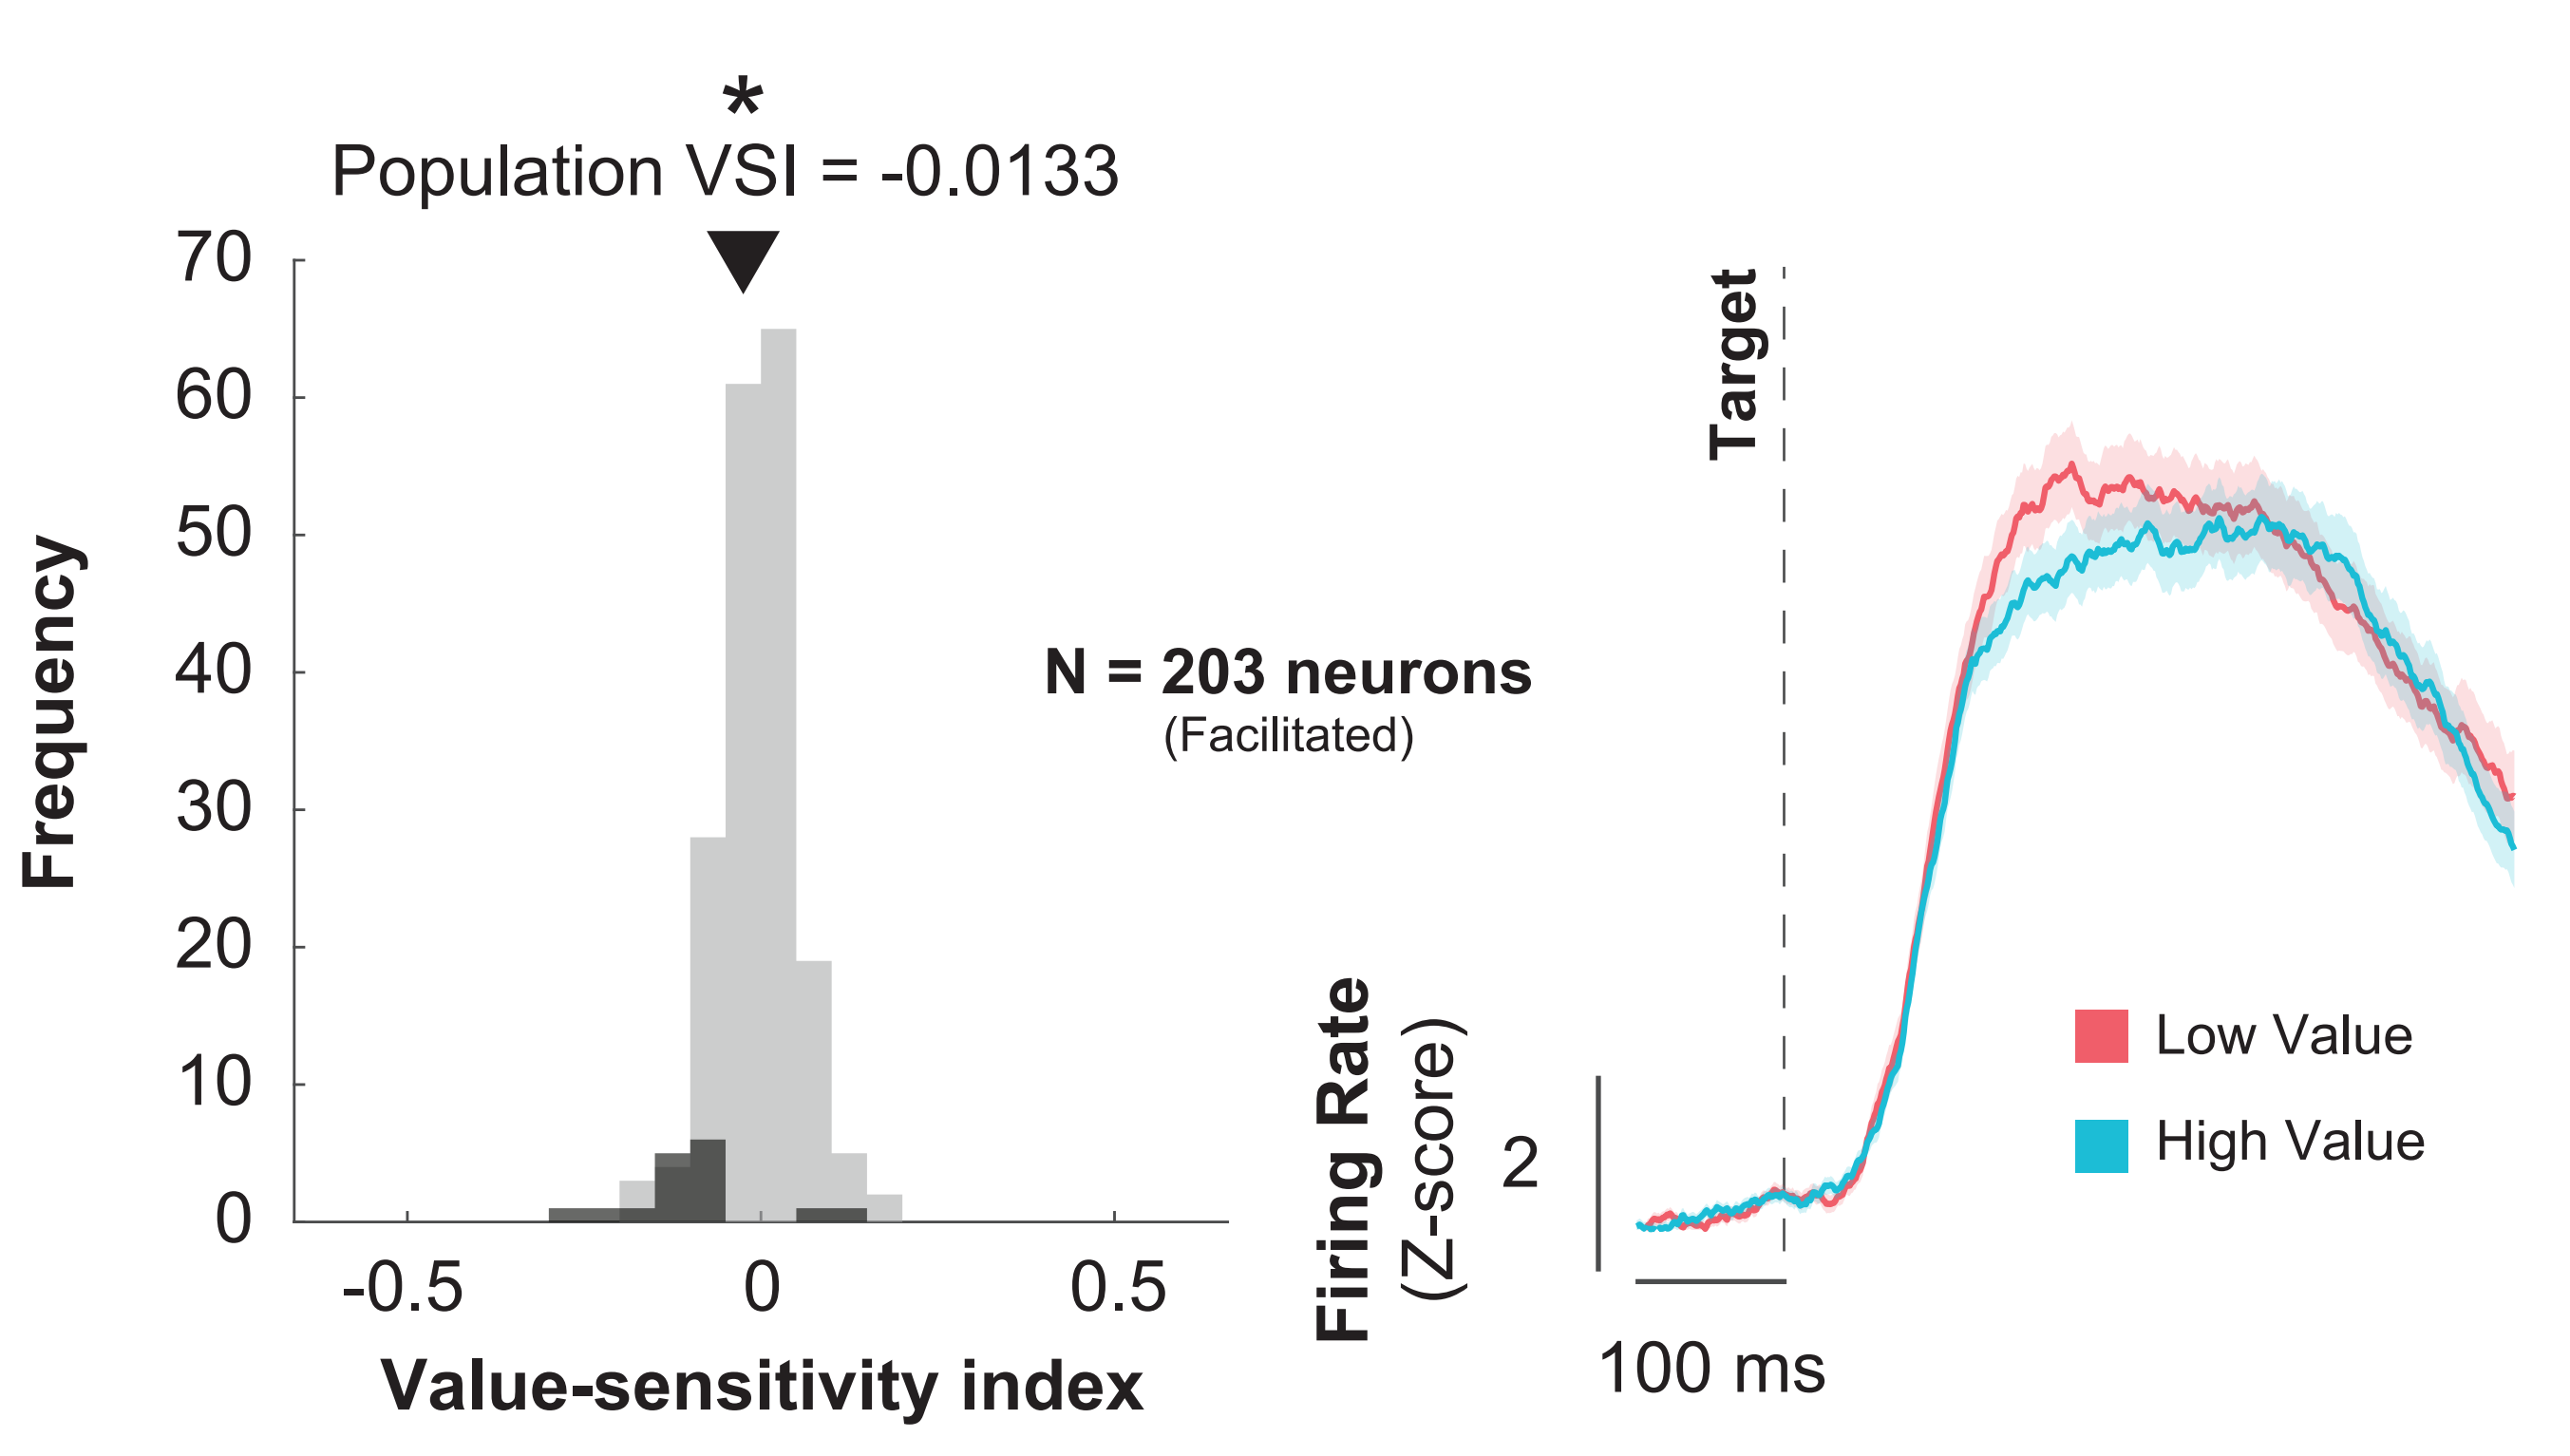

## FINDINGS

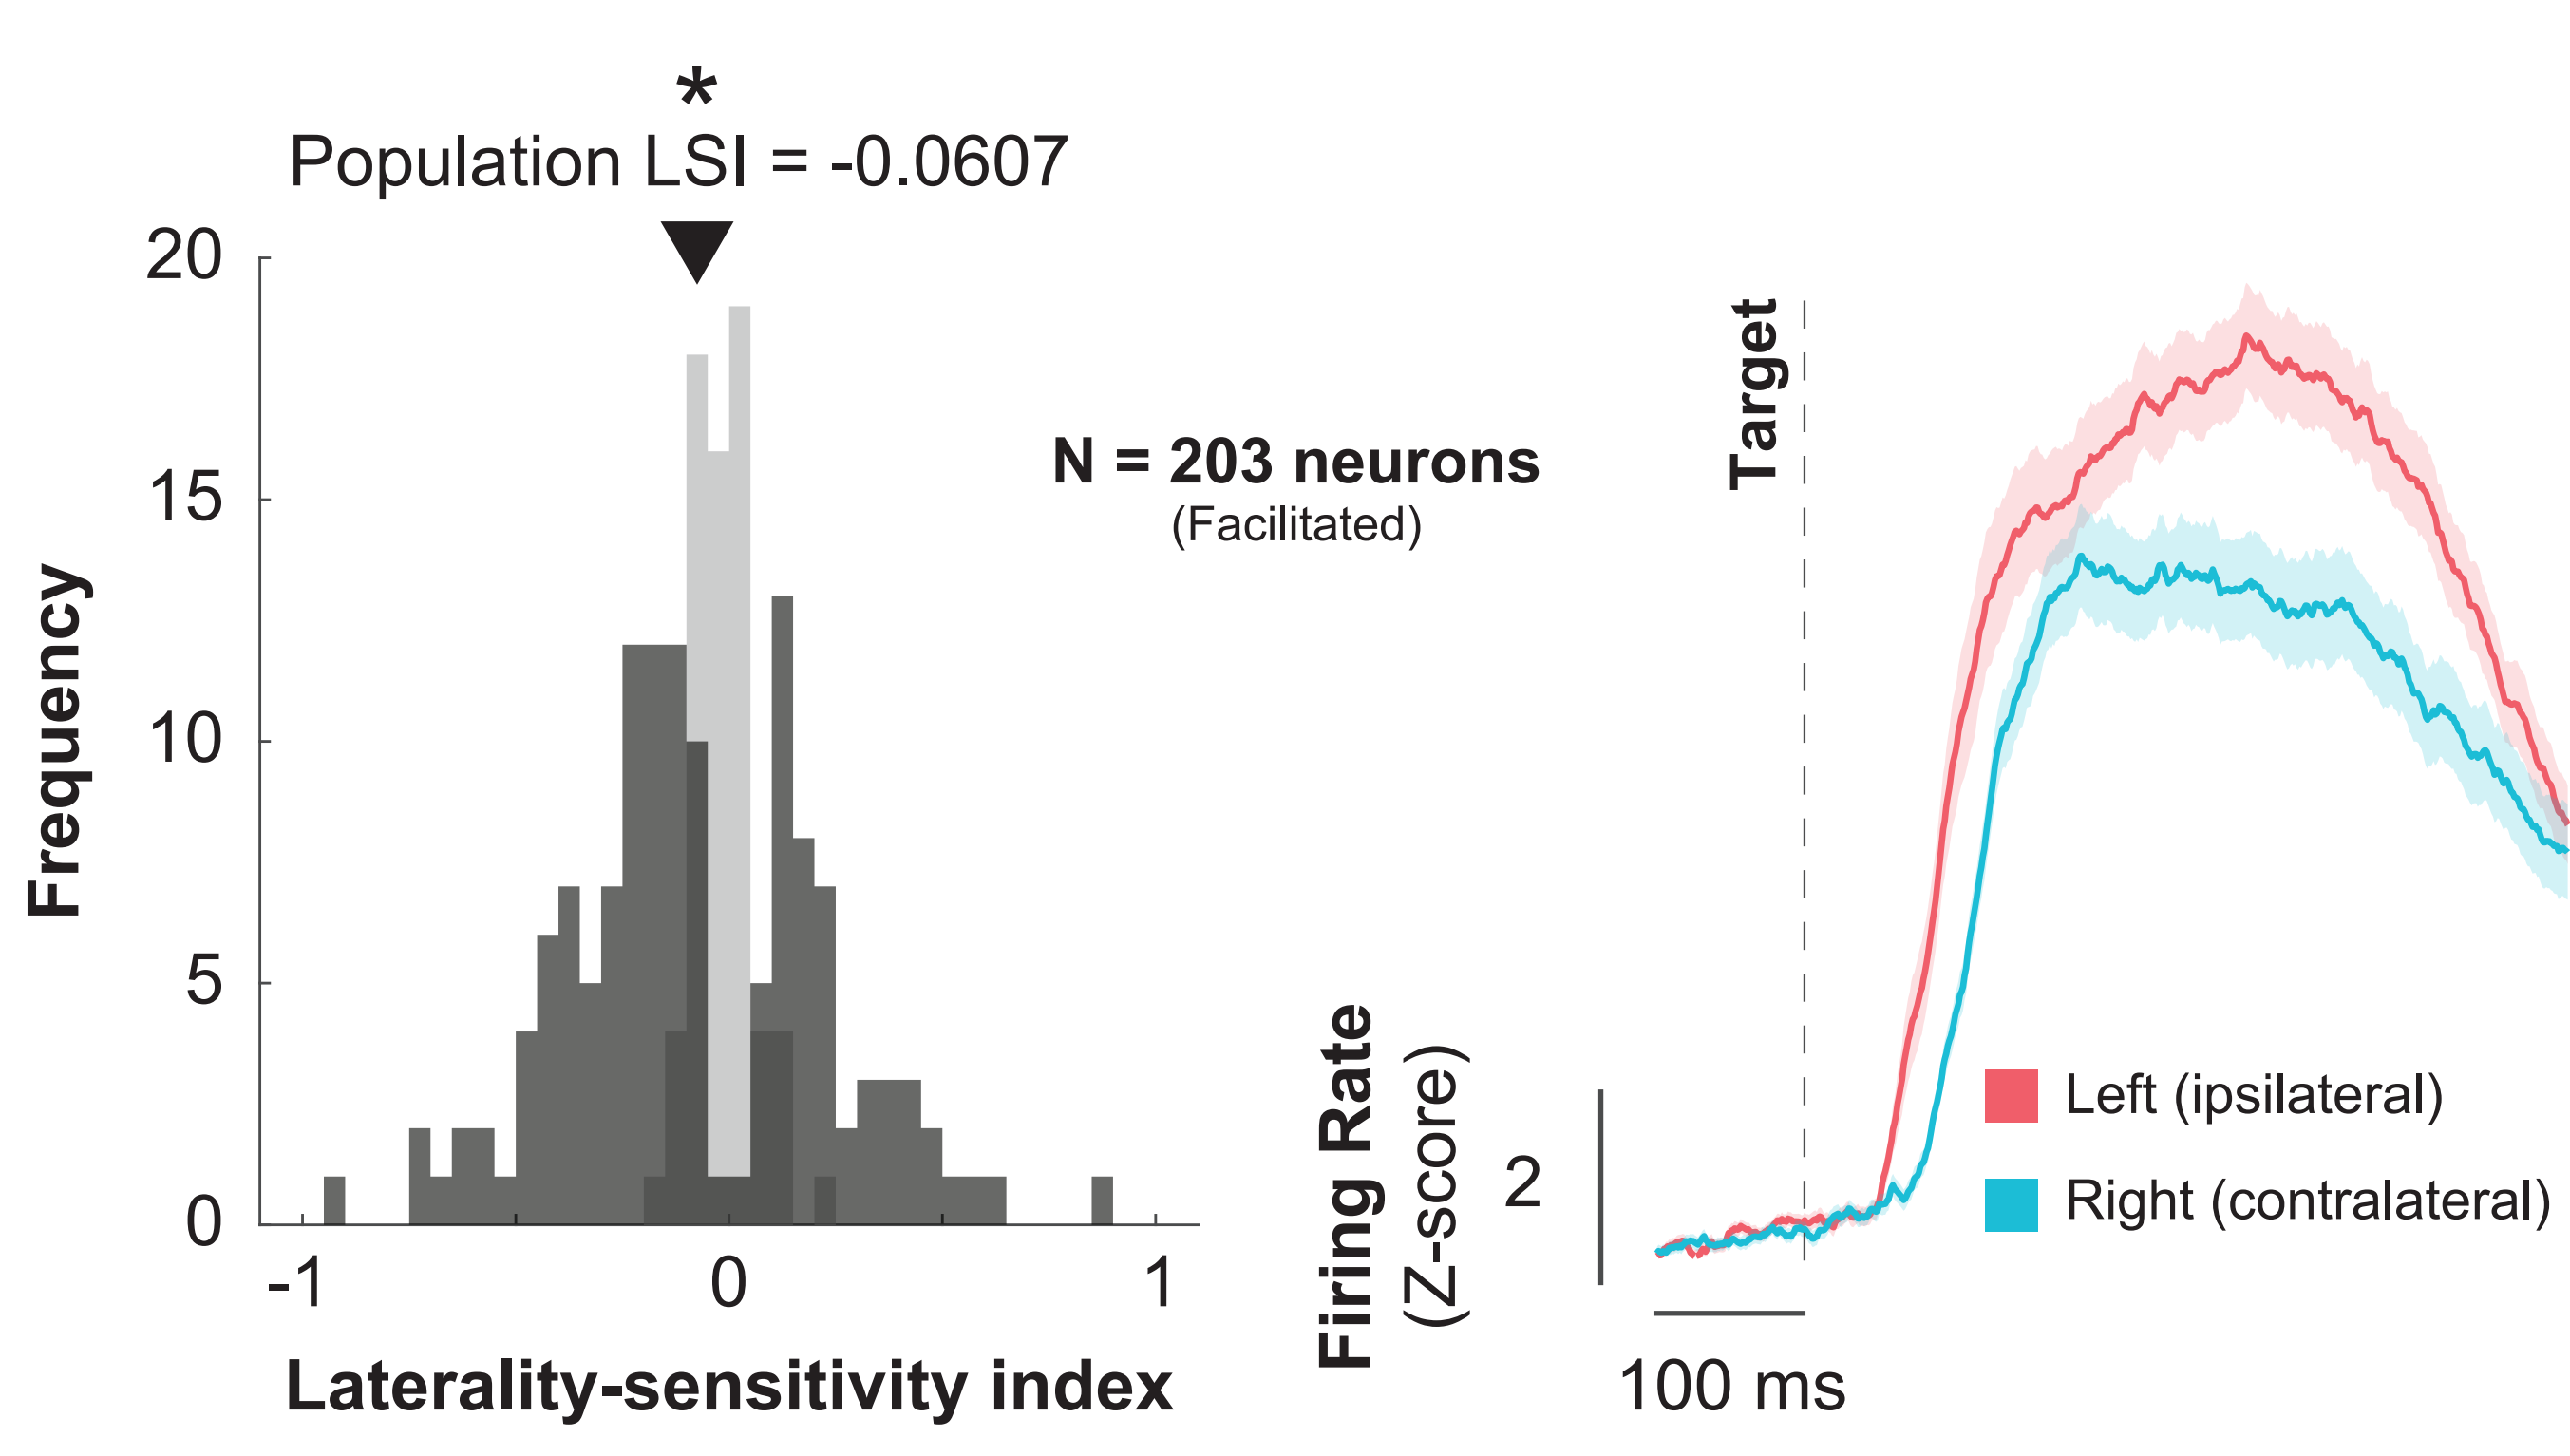

### Visual response properties

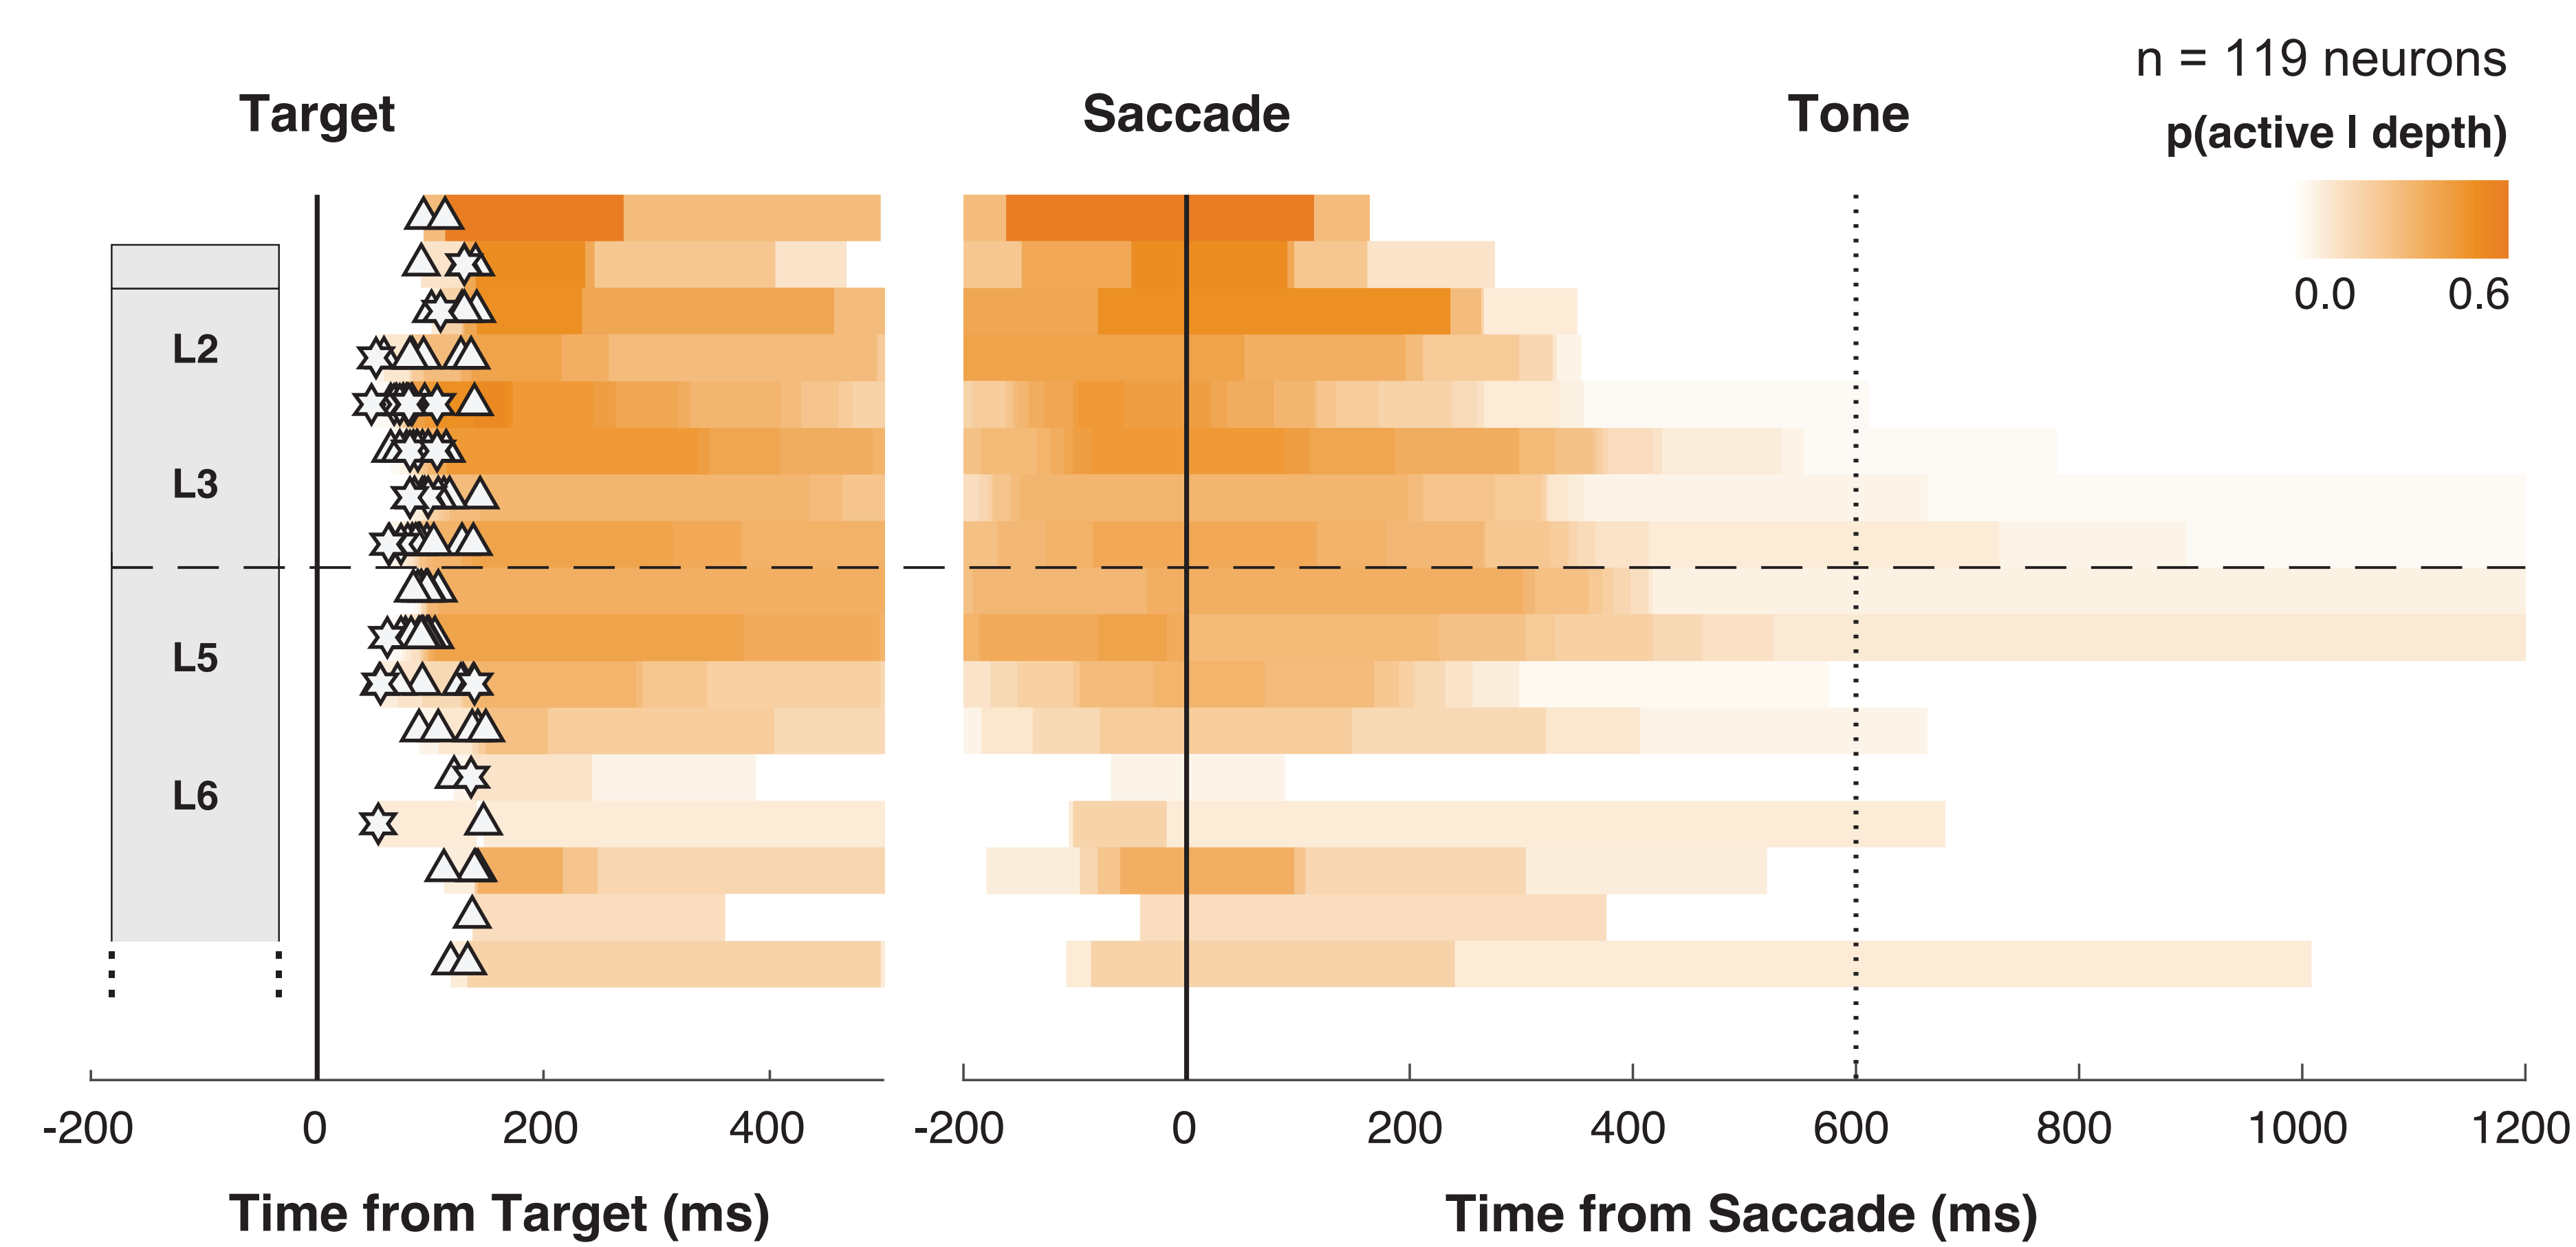

### Value encoding

### Laterality encoding

### Laminar organization

## METHODOLOGY
